Subject: Approval of Simpson Strong-Tie AT-13 and ETI-LV22

Dear Mr. Davenport:

We have completed our testing and have reviewed the Technical Data provided by your company for AT-13 and ETI-LV22. This product has been accepted for use on North Carolina DOT projects. The product has been added to the NCDOT Approved Products List.

Continued approval is contingent upon satisfactory field performance reported by the user on the project.

Should you have any questions, please feel free to call me at (919) 329-4120.

Sincerely:
