Addison, IL 60101  
Attention: Gerald W. Hagel

Re: PEQ No. 97-074

Dear Mr. Hagel:

Evaluation has been completed on a representative sample of Coil Thread Drop-In-Anchor manufactured by Simpson Strong-Tie.

Your Coil Thread Drop-In-Anchor is approved for listing in Bulletin #15, Approved Construction Materials, under Section 1105.02(c)2. Until your Coil Thread Drop-In-Anchor appears in Bulletin #15, this letter may be used as proof of your product's inclusion in Bulletin #15.

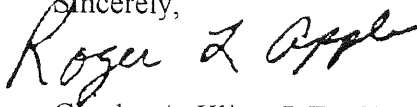

When supplying a Pennsylvania Department of Transportation project, it is mandatory that a copy of the enclosed "Certification of Compliance" be thoroughly completed for each shipment to the project and distributed as directed. The "Certification of Compliance", form CS-4171, may be duplicated as needed.

All certified products are subject to a periodic sampling by our Quality Assurance Division.

Any changes pertinent to the company name, plant location, manufacturing process, etc. that may occur relative to this product must be reported to this office within ten (10) days. Changes not reported will be subject to removal of that company's product from Bulletin #15.

If you have any questions, please contact Jeffrey A. McMaster at 717-783-2559 and refer to PEQ No. 97-074.

Sincerely,

for Charles A. Kline, P.E., Chief  
Materials and Testing Division  
Bureau of Construction & Materials
