Anchor Systems Field Engineer
Simpson Strong-Tie Co., Inc.
2221 Country Lane
McKinney, Texas 75069

Dear Mr. Davenport:

The Virginia Department of Transportation, Materials Division, has evaluated Simpson Sleeve-All (SL) as a Mechanical Anchor Fastening System. This product has met the requirements to be put on our pre-approved List No. 29 for Mechanical Anchors. Simpson Sleeve-All (SL) must also meet our field requirements when used on the jobsite.

For this product to remain on Approved list No. 29, each year in November, Simpson Strong-Tie Company, Inc. will have to send the Materials Division a notarized letter stating that there have been no changes to Simpson Sleeve-All (SL) since originally tested.

This letter can be used as proof of approval until the new list is updated.

If I can be of further assistance, please call me at (804) 328-3029.

Sincerely,

A handwritten signature in cursive script that reads "Kenwood Lipscomb".
